

COMMUNITY PARTICIPATION CALL OUT FOR THE SWARM AT ATMOPHERE 2022

About Atmosphere 2022

Atmosphere is a new daytime Spring festival with a focus on the environment and the world we live in.

It is designed to spark discussion through a mix of live performances, workshops and events either inspired by the environment or with a clear message about the environment and natural world.

Festival dates: 9 and 10 April 2022

About The Swarm

We are looking for participants aged 16+ to form a human swarm (flash mob style!) at Atmosphere. The Swarm will be surging into Worcester as part of the festival, and we'd like community participants to be a part of it.

The Swarm, a movement-based dance piece, will be directed by The Arches Festivals.

No dance experience is required to participate. You will just need to be available to attend the following:

- 3 x workshops throughout March (evening weekdays)
- 2 x performances each day on Saturday 9 and Sunday 10 April 2022

How to sign up

Get in touch to sign-up and become The Swarm! by emailing us at festivals@severnarts.org.uk by 5pm on Thursday 3 March 2022.

Please make sure to include the following in your email:
